Overview:

Formed in May of 1988 in New York City, Bader Media has a long history of working on important product launches, special events, corporate initiatives, producing video news releases, satellite media tours, Think Stories and client global positioning stories, along with same-day TV news stories for consumer product companies. Being in business for more than 34 years has allowed us to work on a regular basis with 200 global clients and satellite news channels in addition to being program producers for the Discovery Networks and PBS All Arts channel and its associated websites.
